

**PRESENT:** John P. McBlain, Chairman; Colleen P. Morrone, Vice Chairman; Michael F. Culp, Council Member; Kevin M. Madden, Council Member; Brian P. Zidek, Council Member; Joanne Phillips, Controller; Marianne Grace, Executive Director; Michael L. Maddren, Solicitor; Anne M. Coogan, County Clerk; and other department heads.

The Regular Meeting of Delaware County Council was held on October 17, 2018 at 10:00 A.M. in the County Council Meeting Room, Government Center Building located at 201 W. Front Street, Media, PA. Chairman McBlain called the meeting to order followed the Pledge of Allegiance to the flag led by Kasir Sabree, a student at East Lansdowne Elementary School. Dana Rachko, Drug and Alcohol Prevention Specialist from the Office of Behavioral Health, gave the invocation.

Chairman McBlain started the meeting off with a community relations matter recognizing October 23-31 as Red Ribbon Week. He welcomed students from East Lansdowne Elementary School who will help us recognize Red Ribbon Week.

Chairman McBlain said we all know how devastating drug and alcohol addiction can be and the impact it is on our community and our nation. Drug and alcohol abuse is a serious public health threat to our children, our families and our entire community. Raising awareness is key, and it is critical to educate our youth about drug and alcohol abuse and to convey the message that any use of illegal drugs, or misuse of legal drugs, is destructive and ruins lives.

We are proud to have some of our partners and also students and staff from East Lansdowne Elementary School with us to help recognize Red Ribbon Week. This year's theme is "Life is Your Journey, Travel Drug Free."

Red Ribbon Week was started in the late 1980's after a federal drug agent, Kiki Camarena, was kidnapped, tortured and murdered by drug traffickers. His family and friends launched a campaign where people wore red ribbons and signed a pledge to lead "drug-free" lives. The message is that drug addiction affects all of us, from people who face addiction, to their families, their employers and law enforcement. Hopefully, this week there will be a sea of red ribbons across Delaware County to raise awareness.

Members of our Department of Human Services, Office of Behavioral Health, work tirelessly each day to prevent addiction. They offer an array of mental health, alcohol and drug treatment services to residents and their families. Delaware County Council and the District Attorney formed the Heroin Task Force in 2012 to address the opioid epidemic through prevention, education, awareness and recovery. Together we are striving towards the common goal of alcohol and drug abuse prevention and recovery.

Joining us today to accept a Resolution were Laura Fidorowicz and Dana Rachko, Drug and Alcohol Prevention Program Specialists with the County's Office of Behavioral Health and District Attorney and Chair of the Heroin Task Force, Kat Copeland. Also attending were the

following students from East Lansdowne Elementary School: Wilson Tong, Kasir Sabree, Hudah Sango, Rasheena Dumba, Deinna Resembeit and Mayessa Alam. They were accompanied by East Lansdowne School Guidance Counselor Ms. Marnie Jackson.

Chairman McBlain called on Mrs. Morrone to start today's Agenda Items.

Mr. Zidek asked that Tim Boyce give us a brief update on the Risk Assessment Study that is being performed on the Mariner East 2 and Adelpia Pipelines.

Mr. Boyce said the Risk Assessment is moving along quite well. They have weekly meetings with the contractor where it is reported they have no problems receiving all the reports and information that need. We have talked about weeks, but he believes we are at the point (this week) of asking for a date to get a draft report presenting to us for review. So, the date needs to be set for the draft approval.

Chairman McBlain asked to deviate from today's Agenda to recognize County Sheriff Jerry Sanders who wished to address Council. Sheriff Sanders and he have had several conversations regarding staffing in his office and he wanted to take this opportunity to come and talk with Council on that topic.

Sheriff Sanders thanked County Council for allowing him to speak on behalf the Sheriff's Deputies. Out of great concern for his office and the duties that he is tasked with daily, he said his office is experiencing "the usual" high turnover of deputies, which (unfortunately) seems to be the norm. However, they are having difficulties with the retention of deputies but are also now experiencing serious recruitment problems.

The Deputy Sheriffs in Pennsylvania are required by the State to be certified. The certifications come from attending a 19-week Sheriff and Deputy Sheriff training course offered at Penn State University. Prospective deputies may have already attended the 24-week Municipal Police Academy training. With the latter, the successful applicant then must attend the 2-week waiver course at Penn State to achieve deputy certification. Currently, the Grade 12 rate for deputy sheriff is \$12.49 an hour.

An informal survey was conducted by the Chief Deputy approximately one year ago and the Delaware County Sheriff's Office annual rate of pay is approximately \$11,000.00 and as much as \$20,000.00 below neighboring Sheriff's Office Deputy rates.

The starting deputy in Delaware County is paid \$25,979.00 annually in comparison to the average salary for a full-time municipal police officer in Delaware County at \$76,344.00 with the average part-time officer making just under \$20.00 an hour (the high being paid just under \$30.00 an hour).

Deputy Sheriffs perform many dangerous duties similar to that of police officers, arrest situations and domestic calls are recognized as among the most dangerous duties. The deputies serve warrants and protection from abuse orders, protection orders, eviction and civil complaints often stem from discord in the home, provide security in our courtrooms and prisoner transportation which exposes the deputies to dangers on a par with the aforementioned. Deputies are exposed to all of these dangers on a daily basis. He does not see the risk to life reflected in the low pay of his deputies.

This wage disparity results in constant turnover that has its own costs associated with it. In addition, with a workforce bottom heavy with young inexperienced deputies, the potential for critical errors is always a concern. With the largest portion of the deputies being relatively short in time with service, this leads to increased risks and exposure for the county as an employer and, more importantly, increased danger to the deputies, employees and to the public. Being constantly short staffed, creates more mandatory overtime then in turn creates issues with fatigue, resentment, poor relations, low morale and increased sick leave and departures.

In 2018 thus far, he has seen at least eight deputies leave the office for work in industrial security and most taking other jobs in law enforcement, almost all part-time. To date, he has asked and been able to get only one new deputy started. That deputy is currently in the office's 12-week training program.

Recently, in an attempt to recruit female deputies out of the most recent Delaware County Community College Municipal Police Academy class bore little fruit. The class had eleven females; his Chief Deputy reached out (personally) to all of them with only one accepting the job offer. The Sheriff's perform vital tasks and play a critical role in the efficient functioning of the Justice System and the safe and efficient functioning of the courts in the county.

The Sheriff's Office generated nearly \$1.7 million for the county in the last twelve months. With the preparation of the 2019 Budget, we must seriously consider at least \$5.00 an hour increase for the deputies, which will at least bring them into line with the next lowest paid Sheriff's Office in the region, namely Montgomery County.

Sheriff Sanders said his office is fast approaching a critical juncture where they may find themselves at the point where we may not be able to fulfill the needs of the court or the citizens of Delaware County. He looks forward to sitting down with Council to discuss this matter further.

Chairman McBlain thanked Sheriff Sanders for coming in today. Their pay raise is negotiated by AFSCME, who represents the Sheriff's Deputies. The County's Director of Labor Relations, Tom Micozzie, has been asked to look into this and see if we can come to a more competitive structure. Discussion followed.

Chairman McBlain called on Mrs. Morrone to continue with today's Agenda Items.

Motion made by Mrs. Morrone approving Agenda Item 28 to amend the Professional Services Agreement between the County of Delaware and Khalil Wardak, M.D. for work performed at the Medical Examiner's Office for the period 1/1/2018 to 12/31/2018 from a cost not to exceed \$50,000.00 to a cost not to exceed \$75,000.00. The motion is subject to the Solicitor's approval, seconded by Mr. Culp and carried unanimously.

Motion made by Mrs. Morrone approving to amend the Professional Services Agreement between the County of Delaware and Bennett G. Preston, M.D. for work performed at the Medical Examiner's Office for the period 1/1/2018 to 12/31/2018 from a cost not to exceed \$50,000.00 to a cost not to exceed \$75,000.00. The motion is subject to the Solicitor's approval, seconded by Mr. Culp and carried unanimously.

Motion made by Mrs. Morrone approving the request by the Controller's Office for payment of current bills, seconded by Mr. Culp and carried unanimously.

**SOLICITOR:** Mr. Maddren asked for Council's authorization to file four (4) Consents for Adoption with the Orphans Court.

Motion made by Mrs. Morrone approving to file four (4) Consents for Adoption with the Orphans Court, seconded by Mr. Culp and carried unanimously.

**PUBLIC COMMENT:** Marquerite (Peggy) Wilson, 824 Drexel Avenue, Drexel Hill, commented on a recent letter that appeared in the Delaware County Daily Times Newspaper about Prison reform.

Jane Dunbar 268 Blanchard Road, Drexel Hill, had some concerns regarding the George Hill Correctional Facility, a morality issue and how the inmate's commissary money is being used.

Susanne Wallace, 929 Harper Avenue, Drexel Hill, spoke about the current prison contract, the management of the prison and changes that need to be addressed.

John Haigis, 1006 Main Street, Darby, thanked County Council for all they have done and will continue to do in regards to the Woodbourne Mansion, in Upper Darby Township.

Mike Betcher, a part-time employee of Delaware County commented on the parking woes of the county since the untimely closure of the Juror Parking Garage.

**COUNCIL:** Mr. Zidek said he attended the Prison Board Meeting last week at the George Hill Correctional Facility. Many concerns were raised by citizens who had worked in the jail, citizens who were incarcerated in the past and (in two heartbreaking instances) from family members of inmates who died while incarcerated while at George Hill. They also heard from the Prison Board and employees of the GEO Group, a firm hired by the Prison Board to manage the facility.

At the Prison Board Hearing there was some discussion about the Study that the Prison Board requested to examine the costs and benefits of running our jail publicly or hiring a private contractor to continue to run the facility as we do now. We just spoke about that recently, the Phoenix Group that has been retained to perform this Study.

The Study is still not done and he questions how useful this Study may be at this late date. He is worried that, if the Study concludes that Delaware County would be better served by publicly running the jail (like every other county jail in Pennsylvania) that we have not adequately prepared for assuming this responsibility.

So, Mr. Zidek wanted to call “publicly” on the Prison Board to plan for a transition to a public prison so that all of our options are open. He will continue to express this concern to the Prison Board privately.

Mrs. Morrone took the opportunity to encourage all residents in Delaware County to wear pink on Friday, October 19. The County is participating this year, at the County level, and asking all our team members to wear pink to recognize Breast Cancer Awareness.

There being no further County business, nor public discussion, motion made by Mr. Culp to adjourn the meeting, seconded by Mr. Madden and carried unanimously.
