In-Person Visitation Regulations

All VISTORS MUST ENTER THE PROPERTY BY VEHICLE

At-home Video Visits are available

Beginning on Monday, June 28th 2021, George W. Hill Correctional Facility will begin authorizing in person visitation. Each housing unit within the facility will be offered a specific day and time for in person visits. This program is designed to allow an inmate to have an in person visit with an approved visitor. Each inmate is required to submit a visitor list to their respective Case Manager for prior authorized approval. All visitors and inmates are required to abide by the rules and regulations set forth for in person visitations. Any violations of rules and regulations will result in suspension of visitation privileges.

In person visitation will occur Monday thru Friday and each housing unit has a designated date and time.

Approved family/friends can go to [https://www.gtlvisitme.com/](https://www.gtlvisitme.com/) to schedule a visit. On the website you will need to create a username and password, enter visitor information, wait for an approval visitor email confirmation, and then choose an available time slot to visit.

Each in person visitation session will last for thirty minutes. There will be **NO CONTACT** during in person visitations. No more than two visitors are permitted during any visitation session (this includes adults and children).

**All visits must be scheduled at least two days in advance, but not more than seven days in advance.**

**In Person Visitation Rules and Regulations**

- All visitor must enter the property by vehicle
- **No contact** of any kind during in person visitation.
- No more than two visitors are permitted during any visitation session. This includes children.
- Visitors must dress appropriately, in accordance with the facility visitor dress code policy.
- Exposing of any part of the body, which is normally covered by clothing is not permitted by anyone.
- Inappropriate gestures and language are not permitted by anyone.
- No revealing or low-cut tops, no sleeveless tops of any type and no halter, tank or midriff tops.
- Children under the age of 18 may not visit unless accompanied by a responsible adult (i.e. parent or guardian).
- No see through or torn garments.
- Nothing above mid-thigh (shorts or skirts) no splits above mid-thigh.
- Inmates will be in full issued uniform.
- Former inmates are not permitted to visit for 1-year after their release date.
- Inmates will need to fill out an authorized visitation list with the Unit Case Manager. The list can have up to ten (10) individuals to include children under the age of 18.
- Only those individuals on the approved visitation list will be permitted to visit. If an unauthorized individual attempt to visit, that visit will be canceled. This cancelation will result in future loss of visitation.
- Engaging in illegal or illicit behavior and violation of any rules or regulations regarding in person visitation will result in the visit being terminated. The visitor will be suspended from any further visitations at the facility with the visitor being subject to criminal prosecution. Inmates may also be charged with violation of the visiting rules and subject to disciplinary action to include visiting privileges terminated.
