

# FREE STI SCREENING IN DELAWARE COUNTY

*You can't always tell if you have an STI.*

## What type of testing is provided through DCHD?

STI testing is free for everyone. No ID needed. Condoms are provided at the Chester location upon request. We test for:

- HIV*
- Syphilis*
- Chlamydia*
- Gonorrhea*

The Delaware County Health Department provides STI testing to adolescents, and adults.

Call **484-276-2100** for more information or to schedule. Appointments available, walk-ins are preferred.

- Free testing regardless of citizenship status
- Free testing regardless of income or insurance
- Condoms and counseling available upon request
- Anonymous partner notification available
