

Delaware County

Veteran and Active Military ID Discount Program

Business Enrollment | Program Participant

Show your appreciation to Delaware County Veterans and Active Military Personnel by offering them a discount!
Delaware County is providing veterans with Photo ID cards that can be presented to participating businesses throughout the county. This enables veterans to receive a discount in appreciation for their service to our country.

Businesses may choose to also incorporate an Active Military Discount to complement our Veteran ID Discount Program. Active military will need to present their current Military ID to receive the discount at the time of transaction.

- Discounts may be a percentage of the sale, a specific dollar amount, or both.
- The Veteran Photo ID and Active Military ID would be required to qualify for any discount.
- Business enrollment in the program automatically renews each year.
- Participating businesses must give 30 days written notice if they plan to withdraw from the program.

Please complete this enrollment form and return it to the Delaware County Commerce Center at 2 West Baltimore Avenue, Suite 200, Media, PA 19063 or via email to mgsalomone@delcopa.org Any questions, please call 610-566-2225.
