

# Municipal Training for Transportation and Land Use Planning

**Evening sessions**

**Nominal fee**

**Join us for refreshments and learn!**

This three-part workshop series is part of PennDOT Connects outreach to municipalities, which includes training modules tailored to address your local needs. Each session will explain the planning concepts, provide resources, and share examples of local success stories. Breakout groups will provide an opportunity for exchange of ideas and answers to questions about next steps for your municipality.

## September 10, 17 & 24

Personalized training to help your community identify how it can develop a better vision for new development and roadways.

Practical strategies for matching transportation to land-use contexts.

## Better transportation through better planning

This course will be taught in three consecutive Tuesday evening sessions:

**September 10, 17, and 24**

*Location:*

Delaware County Community College  
STEM Complex, Small Auditorium Room 1403
