

PMPEI: Course on Zoning

Pennsylvania Municipal Planning Education Institute

This course addresses the fascinating, complex, provocative and contentious topic of zoning. It examines how zoning evolved in the United States and how this past history continues to shape the way zoning is practiced in 21st century Pennsylvania.

3 Evening Sessions

6:30 PM
to 9:30 PM

June 11, 18, and 25, 2024

Redwood Community Center
Upland Park, 280 6th St., Brookhaven, PA 19015

Who should attend:

- Municipal Staff
- Elected Officials
- Planning & Zoning Officials

You Will Learn:

- The historical development of zoning in the US and its influence on Pennsylvania's practices
- About crafting zoning ordinances, including overlay zoning and planned developments
- Insight into real-world scenarios, comprehensive planning, ethical considerations, and zoning regulation procedures
