

## **Addendum 4**

### **CP-081921**

#### **Question 11**

Section 7.1; Does the County's "no more than three adjacent tile failure" requirement apply to both the countywide portable outdoor test as well as the Area 1 portable in attenuated building test?

#### **Answer:**

Yes, the "no more than three adjacent tile failure" requirement applies to both Areas 1, and non-Area 1 testing. For clarification, no in-building testing will be performed as part of Coverage Acceptance Testing.
