

# REGISTER FOR THE DELAWARE COUNTY FALL SALT SNAPSHOT

## What is a salt snapshot & what purpose does it serve?

The Stroud Water Research Center is hosting a community science stream monitoring event to better understand salt pollution levels in streams. The Fall Salt Snapshot testing event invites community members to get involved by taking samples of local creeks, which help improve understand the lasting impacts of road salt on our local stream health and inform proper usage.

## LEARN MORE & REGISTER BELOW!

**This event runs  
from October 1<sup>st</sup> -  
15<sup>th</sup>, 2025**

Testing & drop off must be  
between these dates

Please direct any event-based questions you have to Zach Nemec, Coastal Outreach Specialist, at [zmn5053@psu.edu](mailto:zmn5053@psu.edu)
