SUPPLY RELEASE AFFIDAVIT

The Supply Release Affidavit is to be completed by the Judge of Election or the highest lawfully serving election board member when no elected/court appointed district election board member can pick up election supplies the Saturday preceding the election.

The affidavit allows the Judge of Election or the highest lawfully serving election board member to designate an individual to pick-up the supplies for the precinct. **Without the affidavit the Election Bureau may not release supplies to anyone not elected or court appointed to the district election board.** The affidavit may be delivered in person or emailed to the Bureau of Election prior to supply pick up.
