*****BID QUESTIONS, CLARIFICATIONS AND ANSWERS*****

**A REVISED VERSION OF APPENDIX C – COPIER IMAGE INFORMATION HAS BEEN UPLOADED.
EXCEL FILE USED AS A BASIS FOR APPENDIX C HAS BEEN UPLOADED.**

Question #1: Section 4.2 #8 says 36 month initial term. Section 5.5 says 60 month initial term. Longer initial term is less expensive per month, so initial term length is important. Can you clarify the term?

Answer: Section 5.5 is the correct term length. The term of the initial contract shall be a sixty (60) month period with option to renew for two (2) additional twelve (12) month periods.

Question #2: Can you provide a unlocked Excel version of Appendix C. I believe there may be errors in the sum totals.

Answer: We have identified the errors in Appendix C. Original Excel sheet has been provided containing the original data with the corrected total.

Question #3: The count of units in Appendix A seems to be substantially different than Appendix C. Can you please review and provide a updated and complete list of existing units that are in scope for replacement during this project?

Answer: Appendix A reflects all fleet devices currently being replaced. Appendix C is the yearly data from the units in the County. The difference reflects units that were had low usage and have been removed from the previous contract and will not be a part of this contract going forward.
