

DELCO DELIVERS

2026 HEAT PLAN

Summer is **here** and **Delco** is **prepared** to keep residents, especially seniors, **safe**.

The **2026 Heat Plan** outlines the County's efforts to deliver safety and resources during the summer.

WHAT'S IN THE HEAT PLAN?

- County directives to **mitigate** heat risk
- **FREE** resources for residents
- **Cooling center** locations
- Heat preparedness **tips**
- **Contact** info for County services

PARTNERS IN ACTION

In addition to the Heat Plan, the COSA is teaming up with PECO to distribute fans, a simple and effective heat mitigation tool, to seniors.

Pennsylvania has seen **over 150** heat-related deaths since **2006**.

The **Heat Plan** helps **prevent** heat-related illnesses and deaths.

WHAT AGENCIES ARE INVOLVED?

Delaware County Health Department (DCHD) is leading the County's Heat Plan and is partnering with Services for the Aging (COSA) with outreach.

This whole-County approach will help **meet resource needs, increase** heat risk **awareness**, and **deliver for Delco**.
