Delaware County Planning Department

What We Do

- Municipal Support — Assisting municipalities in achieving future infrastructural goals.
- Trails and Parks Planning — Designing and executing the trail and park infrastructure of Delco.
- Transportation and Infrastructure Planning — Coordinating with municipalities to improve Delco
- Historic Preservation Support — Protecting and preserving historic places across Delco.
- Environmental Planning — Providing guidance and support to municipalities on sustainability and working to address stormwater and air quality issues in municipalities.

Our Mission

The Mission of the Delaware County Planning Department is to elevate quality of life, prosperity, and pride of place in Delaware County through innovative, sustainable, and equitable planning, and meaningful collaboration with communities, governments, and organizations.future.

Why People Reach Out

- Land development review assistance
- Providing input on planning projects (Draft trail alignment feedback, traffic safety concerns for a transportation project)
- Accessing planning resources (Historic preservation project assistance)
