The Delaware County Bureau of Elections has worked with municipalities across Delaware County to provide safe, secure, ADA-compliant locations for ballot drop boxes.

This document has been updated to include a final total of 44 active ballot drop box locations, including three previously accessible drop box locations at our Media, Upper Darby, and Chester Voter Service Centers.

All boxes will be accessible through 8 p.m. on Election Day, November 3, and the majority will be accessible 24/7 (a few locations will be located inside of municipal buildings, including the Voter Service Center boxes, and will have limited hours of operation). Hours are clearly listed for each location.

WHAT ARE BALLOT DROP BOXES?

Ballot Drop Boxes are secure devices, roughly similar in size and appearance to United States Postal Service Mail Drop boxes (commonly referred to as ‘blue boxes’), distinguished by large red, white, and blue lettering that reads “Official Ballot Drop Box” and “Delaware County Board of Elections,” that are designed to accept voted mail-in/absentee ballots from Delaware County voters. Each box is affixed with the official Delaware County Seal.

Delaware Ballot Drop Boxes are intended to accept only Delaware County voted mail-in ballots and absentee ballots. No other materials will be accepted. No postage is required.

Ballot Drop Boxes are under 24/7 video surveillance. Counterfeiting, forging, tampering with, or destroying ballots is a second-degree misdemeanor.

Please note: Voters are reminded to carefully follow the vote-by-mail instructions enclosed with their ballot. Your completed ballot should first be placed in the smaller secrecy envelope marked “OFFICIAL ELECTION BALLOT”, which should then be sealed. The secrecy envelope containing their completed ballot is then placed in the larger return envelope marked “VOTER’S DECLARATION” and then signed, dated and sealed. Use blue or black ink!

Note: Return of a ballot by anyone other than the voter is prohibited unless the person returning the ballot is rendering assistance to a disabled voter or an emergency absentee voter. Such assistance requires a declaration signed by the voter and by the person rendering assistance. This form can be downloaded from our Delco Votes! website.
